

REMEMBER TO RECYCLE!

The Town of Lauderdale-By-The-Sea encourages all residents to support its Townwide recycling program.

Recycling not only conserves natural resources, but reduces waste and pollution.

Place your empty glass and plastic bottles in your recycling container. You can also place bundled or bagged newspapers and/or cardboard on top of the container.

If you do not have a recycling container at your home, please call the Town's **Municipal Services Department** at **954-776-5119**. The containers are free!
